City: _____ State: _____ Zip: _____

You will receive one each of the following along with an education materials request form and free publications form. In addition, you will receive a Conservation Heritage Plates brochure. The Missouri Conservation Heritage Foundation funds a portion of the Outdoor Classroom Grant Program.

Backyard Bird Feeding (E00450)

This brochure includes a chart of seed preferences and various bird feeding tips.

Butterfly Gardening and Conservation (E00471)

Included are color photographs of common Missouri butterflies; a discussion of butterfly habitat requirements; lists of wildflowers, cultivated flowers and shrubs commonly used by butterflies; and simple landscape designs.

Grow Native!

This set includes a variety of site plans and plant recommendations for incorporating native plants into your outdoor classroom.

A Guide to the Planning and Development of Outdoor Classrooms (E00104)

This handbook introduces the outdoor classroom concept and offers suggestions for creating a master plan and developing a site.

Woodworking for Wildlife (E00433)

This publication features plans and instructions for building and installing bird feeders and boxes.
